

BOOK RENTAL SCHEME

Here at St Tiernan's College we are mindful of the cost of school textbooks and we have a book rental scheme in operation.

The school purchases all the required books and rents them to all our students. This scheme provides excellent value for money, a full set of up to date books at a very low cost.

Please note the following:

- Books should be kept covered, clean and neat and should be returned to the school when requested at the end of the academic year.
- A deposit is included in the fee for the scheme. The deposit will be returned at the end of the Junior/Senior cycle if all books are deemed to be in satisfactory condition.
- Workbooks and exam papers, as well as other school equipment and stationary, will be need to be purchased as required outside of the scheme.

Rental Scheme Terms and Conditions

The following are the terms and conditions of the scheme:

1. The books supplied under the scheme will remain the property of the school. They will be subject to inspection at any time by a member of the teaching staff.
2. If the books are lost or damaged, they must be replaced by the student. Full compensation for lost books will be required before readmission to the scheme.
